

## How to read your statement

The statement is designed to enable you to find information quickly. It is account specific; therefore if you have more than one account with us, you will receive additional statements.

Closing balance at end of Statement Period																	

The total amount due is not a settlement figure as it does not include future contractual liabilities.

All receipts are assumed to be cleared funds. If they are not cleared, the balance outstanding will increase by any such amounts. This is not a clearance letter and may not include other costs incurred such as refurbishment costs (if appropriate).

1. Customer Address – this is the current mailing address we hold.
2. Statement Period – The period to which the statement transactions relate.
3. Agreement number, Customer number, Registration, Agreement Type:
  - a) Agreement number – This is your finance agreement number.
